

RULE NO. 11.A.

CUSTODY EVALUATION DISTRIBUTION

Court-ordered custody evaluations shall be delivered by the evaluator to the court for distribution to attorneys. If either of the parties is *pro se*, no copies will be distributed, but the court will provide space in court offices for the *pro se* litigant(s) and for the attorney(s), if any, to review the evaluation and prepare for its use at trial.

Because these evaluations are prepared for the court's use, at the direction of the court, and because they contain confidential information, these evaluations shall not be released in whole or in part to any other person without further order of the court. No copy shall be given directly to any litigant.
